Flashbulbs, Flames and The Fabulous Lit Up Lauderdale!

Ft. Lauderdale - The glitterati and literati were out last night in celebration of author **Paul Pope's *The Deeds of My Fathers*** VIP party at **Ferrari-Maserati of Ft. Lauderdale.**

Stunner, **Anna Kournikova** stirred a frenzy when she graced the red carpet with her mile-long legs. In between the tycoons and tawdry were model/actresses and bejeweled performers entertaining the packed house.

New York "*Housewife*" who's anything but, **Kelly Bensimon**, came out to support Pope and **The American Heart Association** benefiting from the evening. Brooklyn born, **Joey Fatone**, who was totally "*N'SYNC*" with the evening's Italian theme, had plenty of fans in the crowd. Food and drink flowed all night against the backdrop of the sleekest Italian imports. Pope was introduced at the podium by paesano **Federico Castelluccio** of the *Sopranos*.

The Deeds of My Fathers is now available nationwide for \$24.95.
